

names

Can you name the chicks and the two grown up birds?

Below is a bit of help, but be careful...it is not as easy as it seems...

OZZY

Alvin

Yassandra

Alice

GARLA

INKY

Raz

VIX

Baz

Now naming the chicks was quite a fun task, and how did they do it, you may well now ask. Inspired by colours and letters in words, they found lovely names for all of the birds.

(P. 27 in *At the end of the rainbow*)

Who is who?
