

DRAWINGS FOR ALVIN'S STORY TRAIL LEAFLET

Would you like the chance to help create the leaflet for the forthcoming Alvin Story Trail?

If so, you could make a drawing/drawings of the following items:

- **Church window with one dark pink piece of glass (called 'quarry')**
- **Close-up of a dark pink quarry**

The drawing(s) will need to be handed in to Kelly's Crafty Corner at Chancery Lane by Saturday 29th April 2023.

Please note;

- In order for the drawing to be considered for inclusion in the leaflet it would need to be done with felt pens on a white piece of A4 paper. Please use bright colours as these work best for printing.
- We are hoping to exhibit all the submitted drawings at some point, so do keep an eye on Get Suffolk Reading's Facebook page.
- You can submit as many drawings as you wish.

We look forward to seeing all your creations!

You can go and have a look at the window/dark pink quarry here (St. Mary Magdalene Church)
